Welcome

We are very excited to present our first performances of the year, showcasing the work our students have done in our first six weeks together. With nearly 450 students singing in grades nine through twelve, we are extremely proud of our choral program and the opportunities we offer these talented singers to further their musical skills, knowledge, and enjoyment. Thank you for your continued support of Edina Choirs!

Please be sure to visit our website at www.edinachoirs.org, take note of the upcoming events on our calendar, and join us again soon for future performances at Edina High School.

We appreciate your presence this evening. To make this concert successful for the performers and enjoyable for everyone in the audience, we ask that you note the following:

- Please silence all electronics, and refrain from using them during the concert.
- Please enter and exit only between songs.
- Please refrain from talking during songs, as well as immediately before and after each piece.
- When the concert ends, please help our custodians prepare the room for the next event by taking this program and any other belongings with you.

Thank you for your respectful cooperation.

The choral music department of Edina High School strives to introduce students to choral literature which represents the various historical periods and diverse musical cultures of the world.

We hope our performance will assist with cultivating a mutual respect and understanding of music from the countries and cultures represented.
